NOTE THE LAST PARAGRAPH

MIDLAND WATER, LIGHT AND ICE CO.

DODGE CITY, KANSAS, Aug. 30, 1915.

E. T. CHAPIN CO.,
Spokane, Washington.

Gentlemen:

In reply to your letter of July 15th, we wish to say that we were very much pleased with the car of poles shipped us last December. They have proven very satisfactory in every respect.

Any time we are in the market for poles, will be glad to ask you for quotations.

Yours truly,

MIDLAND WATER, LIGHT & ICE CO.,

OT/W

By OTTO THEIS.

When you buy big-butted, solid, straight, large-taper Bovill Poles and they prove very satisfactory in every respect, you, too, will be glad to ask us for quotations when you are in the market.

But how about the first order?

Of course, if we are now furnishing you with Bovill Poles, we are mighty glad and we know that you, too, are pleased.

If we are not, we believe you will find it good business to get our prices before you buy.

May we quote you now?
