**HMS Serangapatam**: A 46-gunner, under command of Captain W. Wakegrove, she carried the first-ever letter from Pitcairn Island. The letter, dated 17 March 1830, was the Captain's own account of his visit to the island.

**RMS Athene**: A steamer of 17,434 tons, built in 1901, owned by the White Star Line and Shaw Savill, and for 27 years she operated in the latter's New Zealand service, before serving as a whaling-ship up to 1967.

**The Pitcairn**: A Messianic schooner built by the Seventh-Day Adventist Society, and launched in 1850 at Benito, California. For ten years she conveyed mails between Pitcairn Island and San Francisco.

**S.S. Gothic**: Built in 1948, she subsequently served as the Royal Yacht during the Queen's Commonwealth tour in 1954. Later she and her sister ship the *Denamic*, also of the Shaw Savill Line, were regular callers at Pitcairn until 1960.
